21 April 2016

Dear Parishioners

All Parish and Town Councils throughout England are required by law to hold an Annual Parish Meeting between 1st March and 1st June.

Wessington's Annual Parish Meeting will be held on **Tuesday 24 May 2016** in the Meeting Room, Christ Church, Church Street, Wessington

This meeting provides an opportunity to get together to discuss the affairs of the Parish. The Annual Parish Meeting is not a Parish Council Meeting. It is a meeting open for anyone to attend, but only Wessington Parish electorates may speak and vote.

Whilst the purpose of Parish Meeting is defined as, "to discuss Parish Affairs", a number of topics have been raised as points of discussion and will be included in the Agenda to be displayed before the meeting and these are:

- The year ahead for Wessington – What events are planned and potentially happening.
- The Parish Council's Section 137 Grant Award Scheme, awareness and how to apply.
(Note this is not the Section 106 Ben Bailey Money – it is money from the Parish Councils Annual Precept).
- Making the best use of the Parish Council's Website.
- Issues affecting the Parish of Wessington – An open forum

Should anyone wish to add any additional items to the Agenda, please contact the Clerk with the relevant details.

It is very much hoped that this year's Annual Parish Meeting can be used as an opportunity for Parishioner's and representatives from the Parish's Groups and Organisations to build upon and promote the Parish's Affairs.

Yours faithfully

Alex Fisher

Alexander Fisher
Chairman of Wessington Parish Council.
